## Big Day Guardians "Ayer, Presente y El Futuro" Aug 16, 2009

Dear  
Brothers  
and  
Sisters,

Big Day

Guardians August 16, 2009

On another note yesterday was the Guardians of the Vision's turn to minister in drama and song at our church "Castillo del Rey Centro Ensoñador"(Kings Castle dream center). It was awesome after more than a week of preparing, training, and praying the Big Day finally arrived. The theme was "The Vision" sharing on the history of Kings Castle and how Missionaries Don and Terri Triplett started this powerful ministry here in El Salvador. The Big Day started out some videos of the very first ministry program here in El Salvador which happened on January 28,1990, as well as from some of the most influential times here in the history of Kings Castle. Next we started the drama with our 75 Guardians marching and chanting "TELL ME WHO IS YOUR SAVIOR?, (girls chanting) TELL ME WHO IS MY SAVIOR? (all Guardians chanted) JESUS CHRIST HE IS MY LORD! Once all were in front of the church congregation the Guardians started performing some of the most oldest songs that exist to Kings Castle Ministries "*Who made the Heavens*", "*I am a soldier of Kings Castle*" and "*I am Running the race with Jesus*". The next part of the drama was divided into three parts, The first part was the programs of the past, performing the most popular songs from the first days of Kings Castle. Then there was the programs that we do today using our dramas that we currently use on the streets. The third part was the future generation of

Guardians in the year of 2050 in which we created a new version of my king Jesus, the guardians had boxes that were cut out and painted silver that made them look like Robots. I wish you could have been there because watching a Mi Rey Jesús being performed in a robotic manner, it was hilarious.

Then one of our pastors Mario Moran preached the message the Vision and the history and where we are going here in Kings Castle followed by 2 more dramas "*Leave a legacy*", and "*I bowed on my knees and cried holy*". I can not put into words what happened next but all I know is that these children, normal children ages 7-12 changed from being children to becoming children filled with the fire and power of the Holy Spirit. They formed 2 lines in the alter area as the call was being given, and the pastor asked if there were any needs in the house and so many hands went up in the air that i could not even count them. Pastor Mario Gave the charge to the guardians to go and pray, It was an awesome sight to see a sea of children of the spirit praying for the people of their own church! This is the secret I have found, that if you believe like a child that God will do what he said he will do we can see more things happening here in our generation!

We are a generation that is passionate for who we believe in JESUS CHRIST our Lord.

Thank you for your prayers and support!
